HTML & CSS

Git

React

Django

Arduino

INTERESTS

Chess

Coding

Soccer

Track

EDUCATION

9th grade

Churchill Junior High School

09/2021 - 06/2022

CLUBS

Model Congress (10/2021 - 04/2022)

Participated in Model Congress for my freshman year. Learned about how to negotiate and reach a mutual understanding with people.

Soccer (08/2021 - 11/2021)

I've been doing soccer my whole life, and it's taught me how to be a team player and how to communicate.

Track and Field (11/2021 - 06/2022)

Started Track and Field this year, and fell in love with it. It taught me how to support and help other people even when it doesn't help yourself.

PERSONAL PROJECTS

Flicks (Javascript, React, Firebase DB, Axios, Chakra UI)

- Created a React app that would allow you to find movies & TV shows, as well as add them to a watchlist
- Learned the process of creating large-scale apps
- <https://github.com/Aarav-J/flicks>

ACHIEVEMENTS

Broke the Freshman record time for the 800

During the spring season for Track and Field, I was able to break the 800m record for freshmen. Which also made me the fastest freshman in Middlesex County.

Outstanding Freshman Award

I was given the Outstanding Freshman Award this year at the Varsity banquet because of my athletic achievements as well as my academics.
